Course Cancellation Policy: Acceptance of pre-work is considered the start of your course. Once students have logged in, the course is in progress and there are no refunds. However, ITAC recognizes there are circumstances where students cannot make the course date, and therefore, ITAC will supply a credit memo for such individuals towards the same CAIB course up to one year following this course (it is up to the student to reserve their spot for the next available course -- refer to our Course Schedule on our website at www.itacinc.com).
